ATTRIBUTES OF GOD: ETERNAL, INFINITE, CREATIVE, UNCHANGING

Big Idea: God is like nothing else. He is eternal and infinite. He is the creator of all things. He is unchanging.

Key Passage: Hebrews 44:24b, Psalm 90:2, Psalm 147:5,

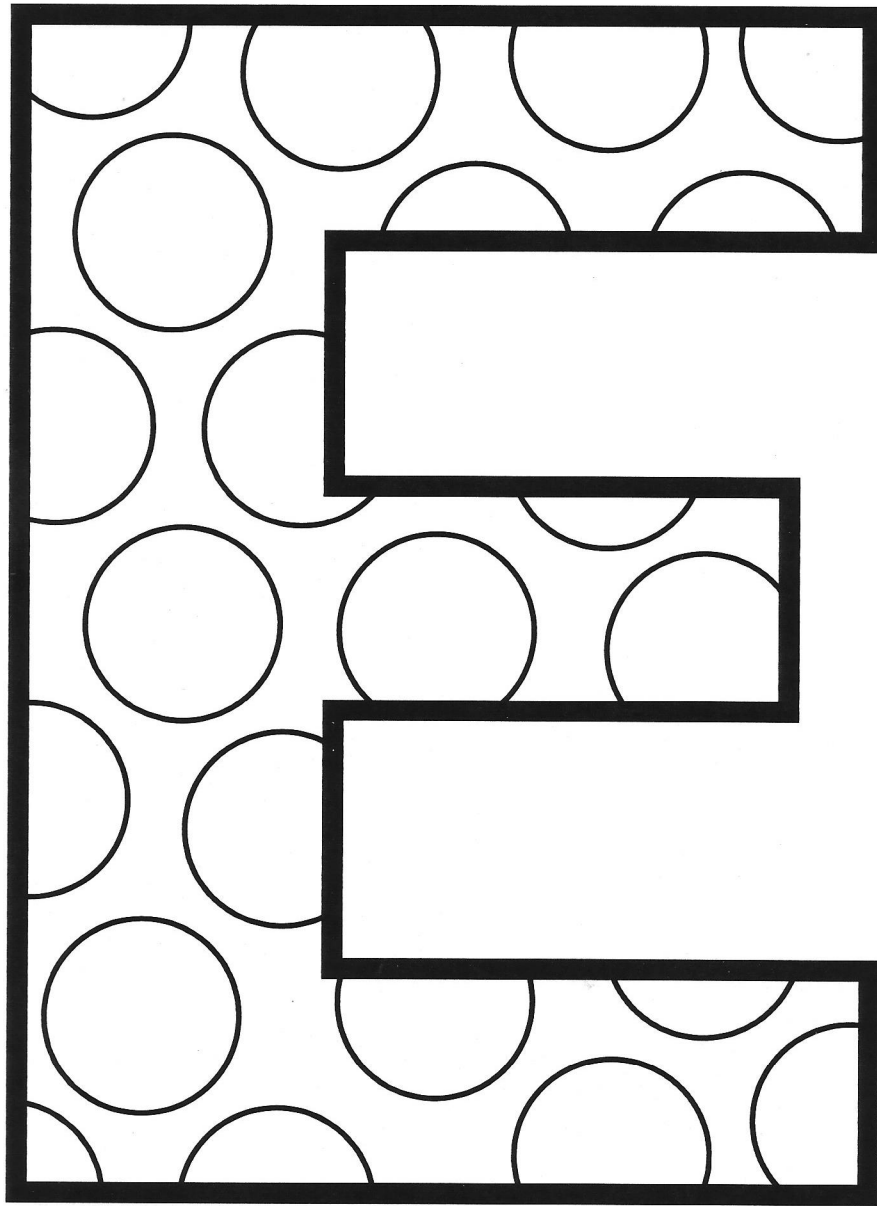

Big Picture Question and Answer: What is true about God? God is eternal and infinite. He has no beginning or end and is unlimited in power. God is unchanging. He is the same yesterday, today, and tomorrow. He is creative and made everything.

Family Discussion Starter: God is our creator. How did He make us different from animals and nature?

Family Activities:

- God is unchanging. Make a list of things that change in your life. Now, make a list of things that do NOT change. Discuss why we can trust in God's Word and promises.
- Read Isaiah 26:4. Find a fun rock outside. Discuss how God is an everlasting rock. Has something ever ended that you wanted to last? How is God different?

Eternal

God has no beginning or end.

Before the mountains were brought forth,
or ever you had formed the earth and the world,
from everlasting to everlasting you are God.

—*Psalm 90:2*
